It's a totally new day-  
my first year of college  
and a whole world  
waiting for me to  
explore! It'll...be fun,  
right? Yeah, of course!  
Cheer up, me! No matter  
what, I know I'll be  
able to take on today.

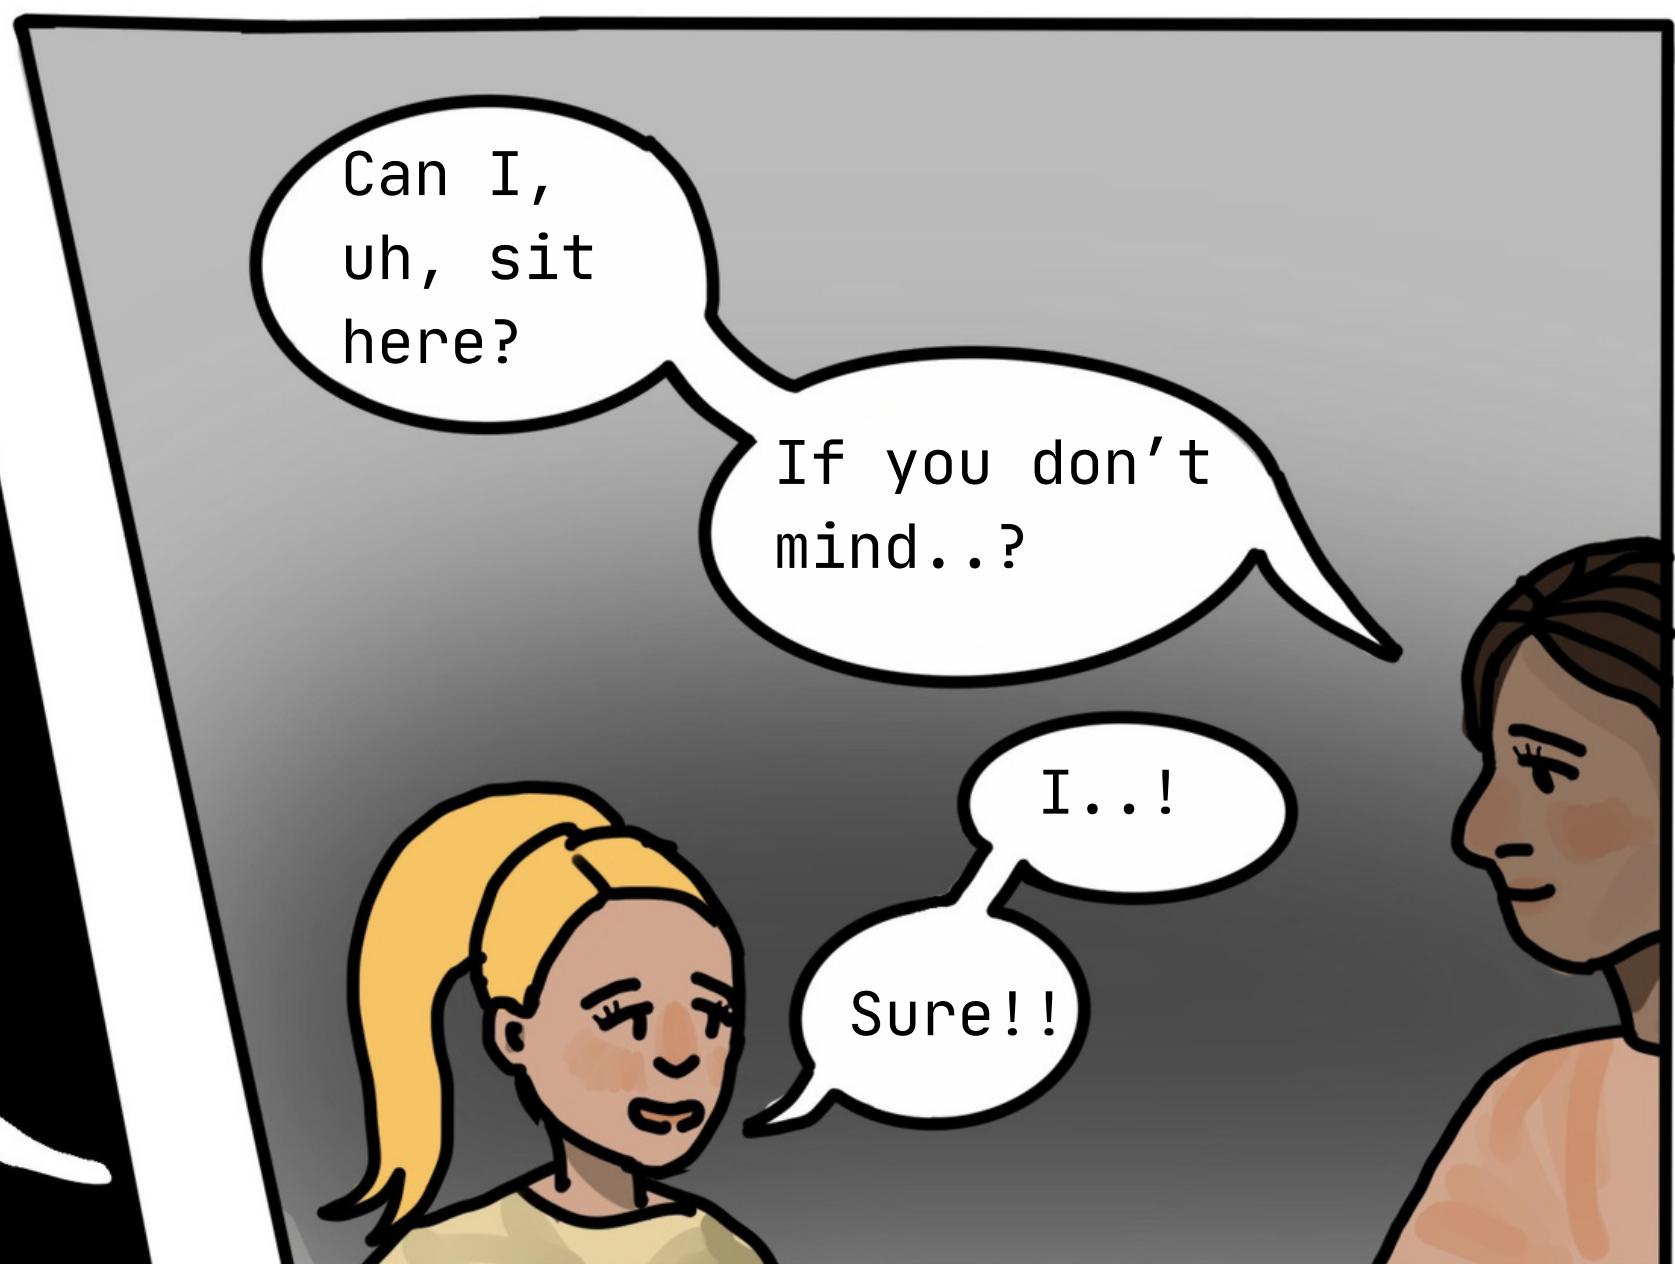

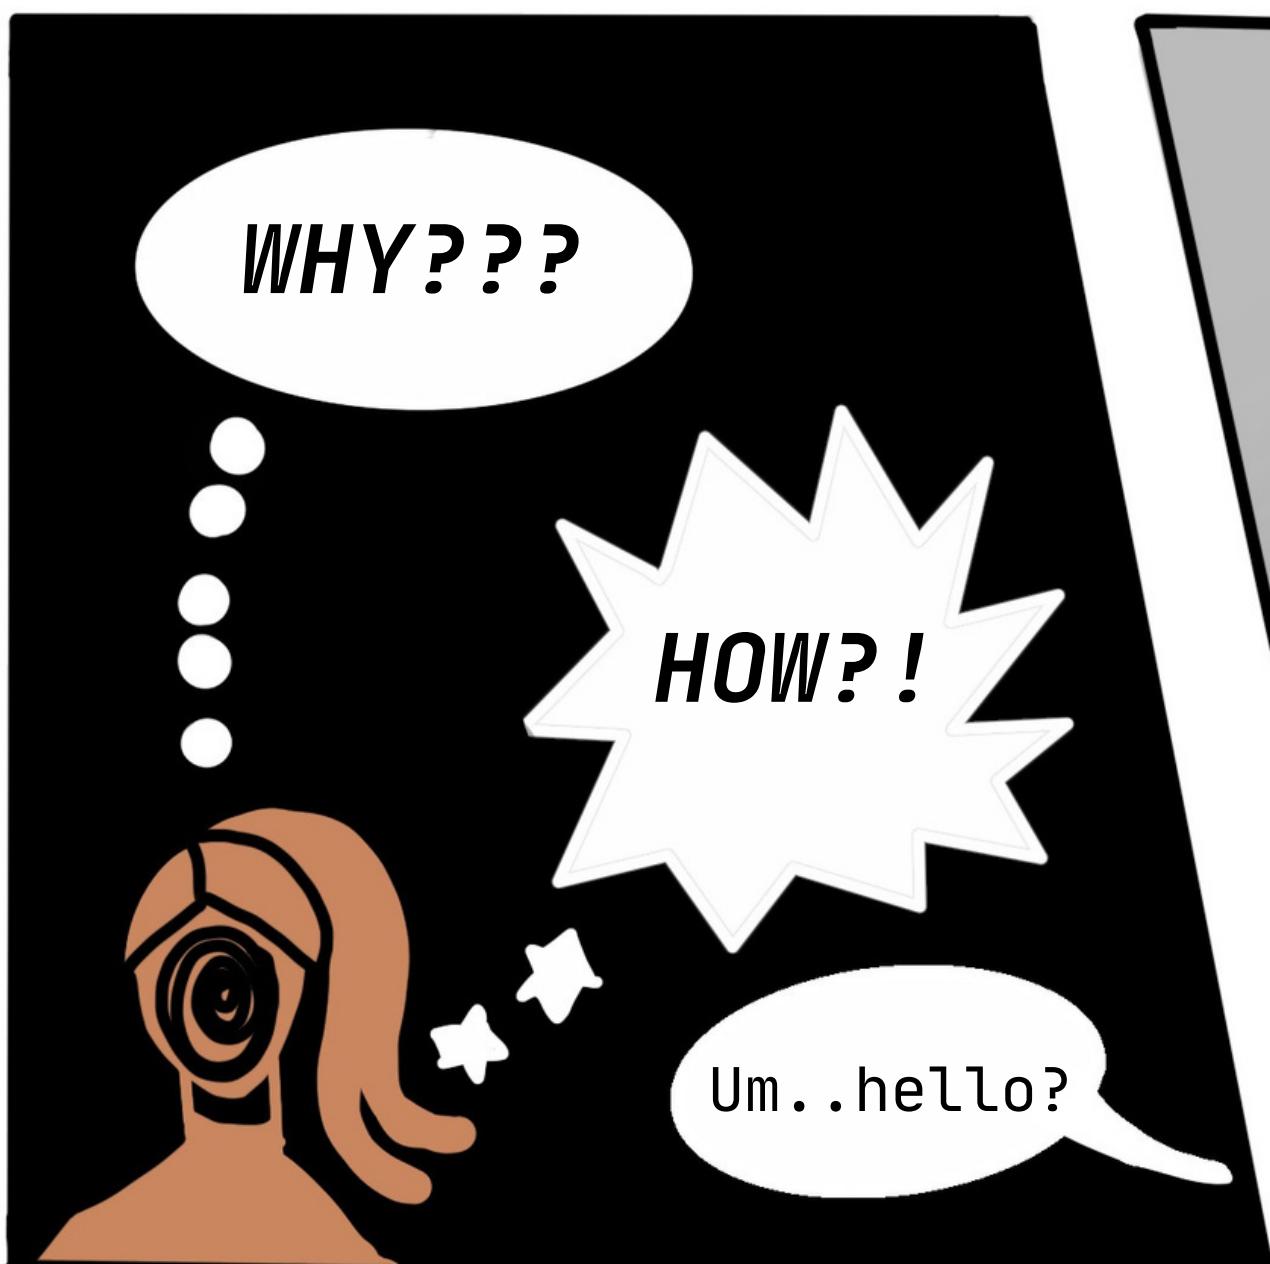

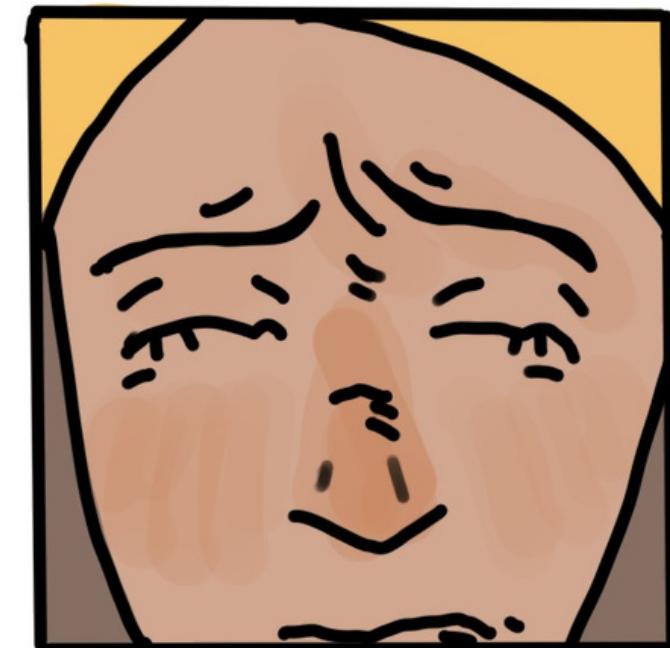

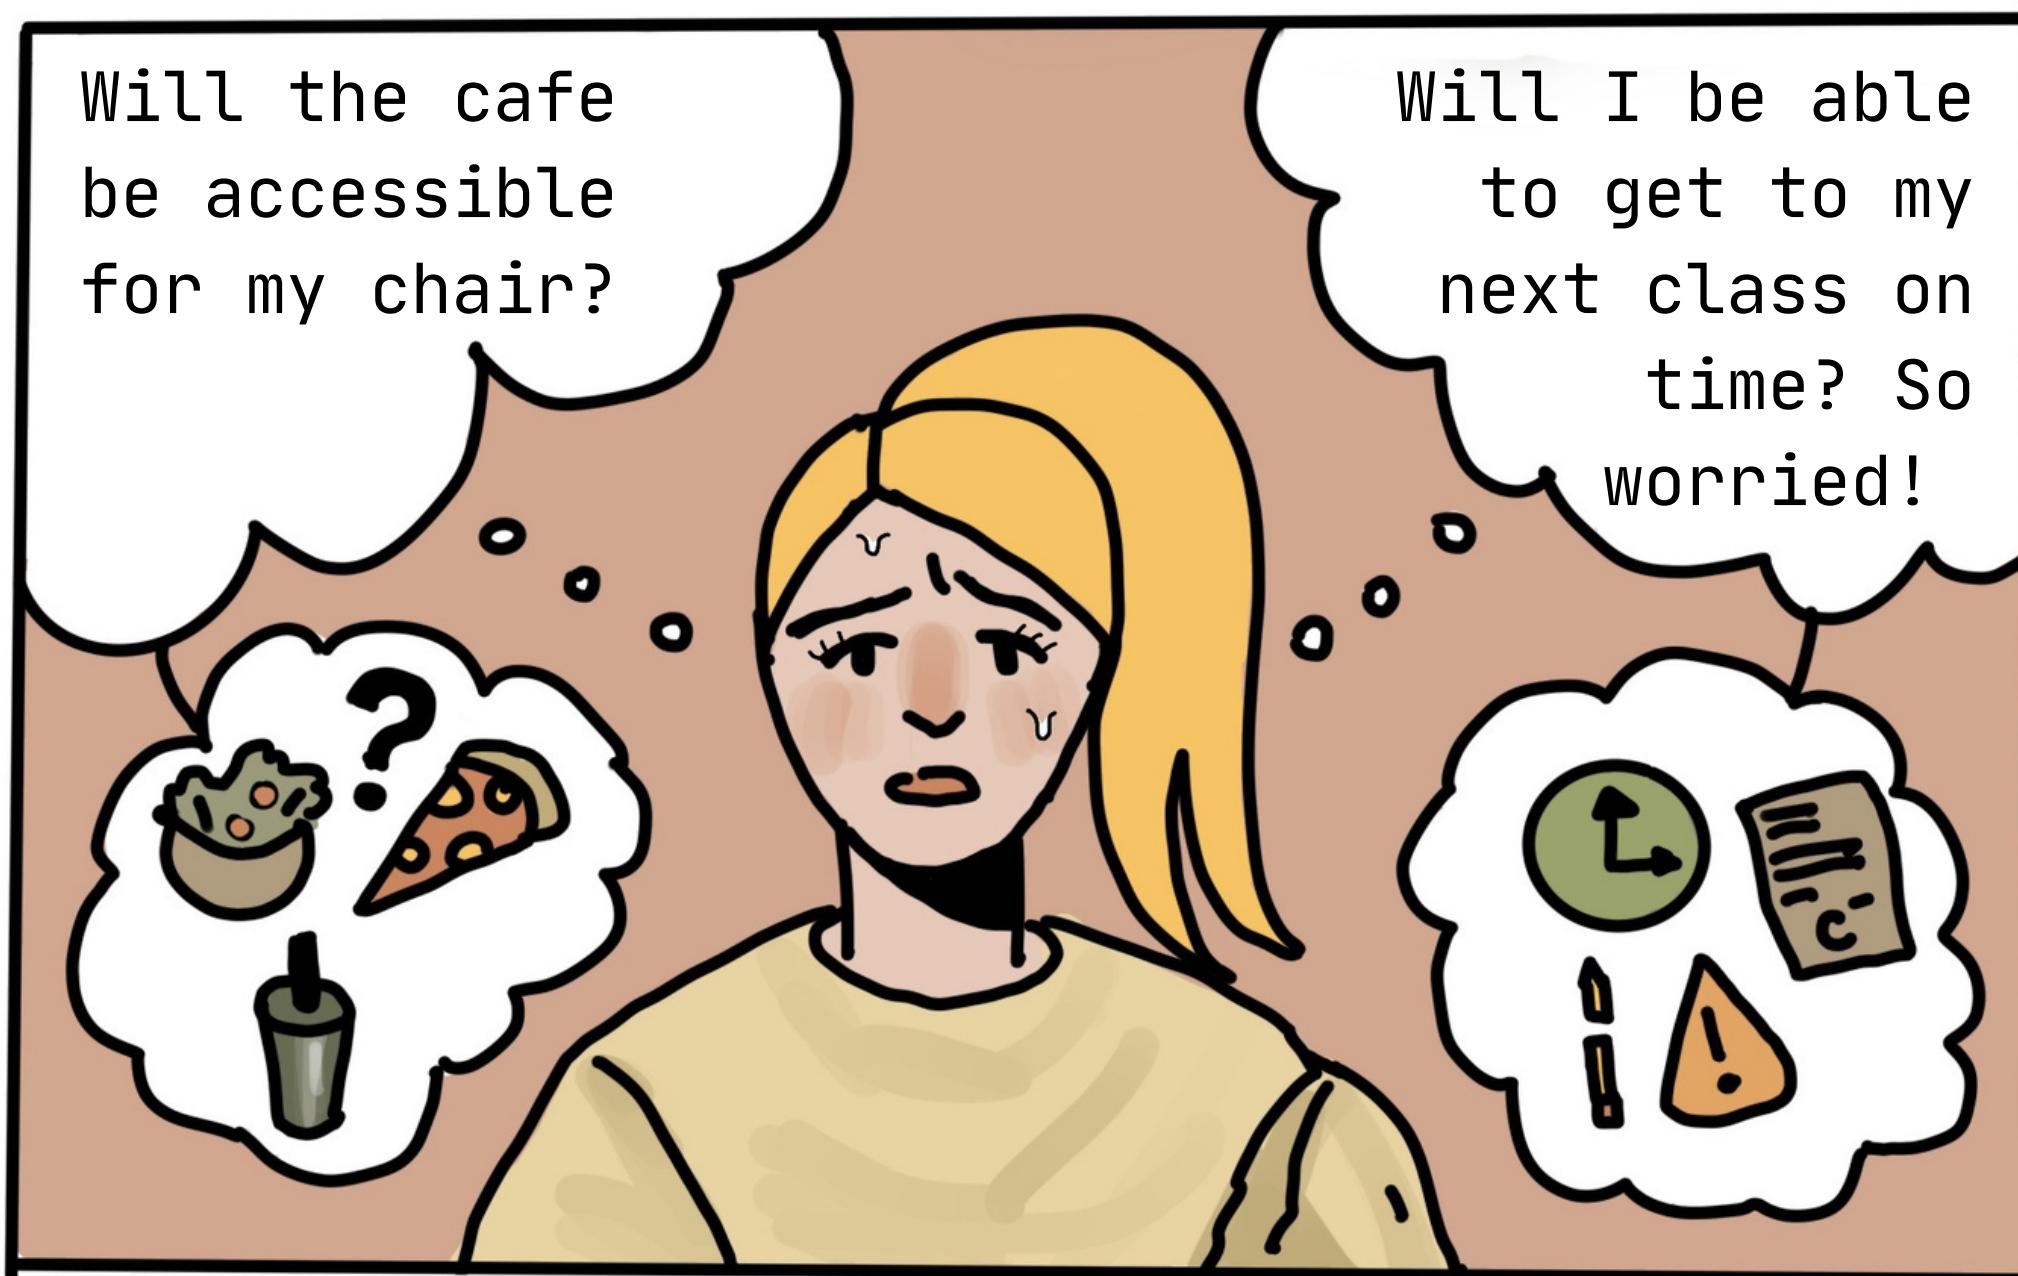

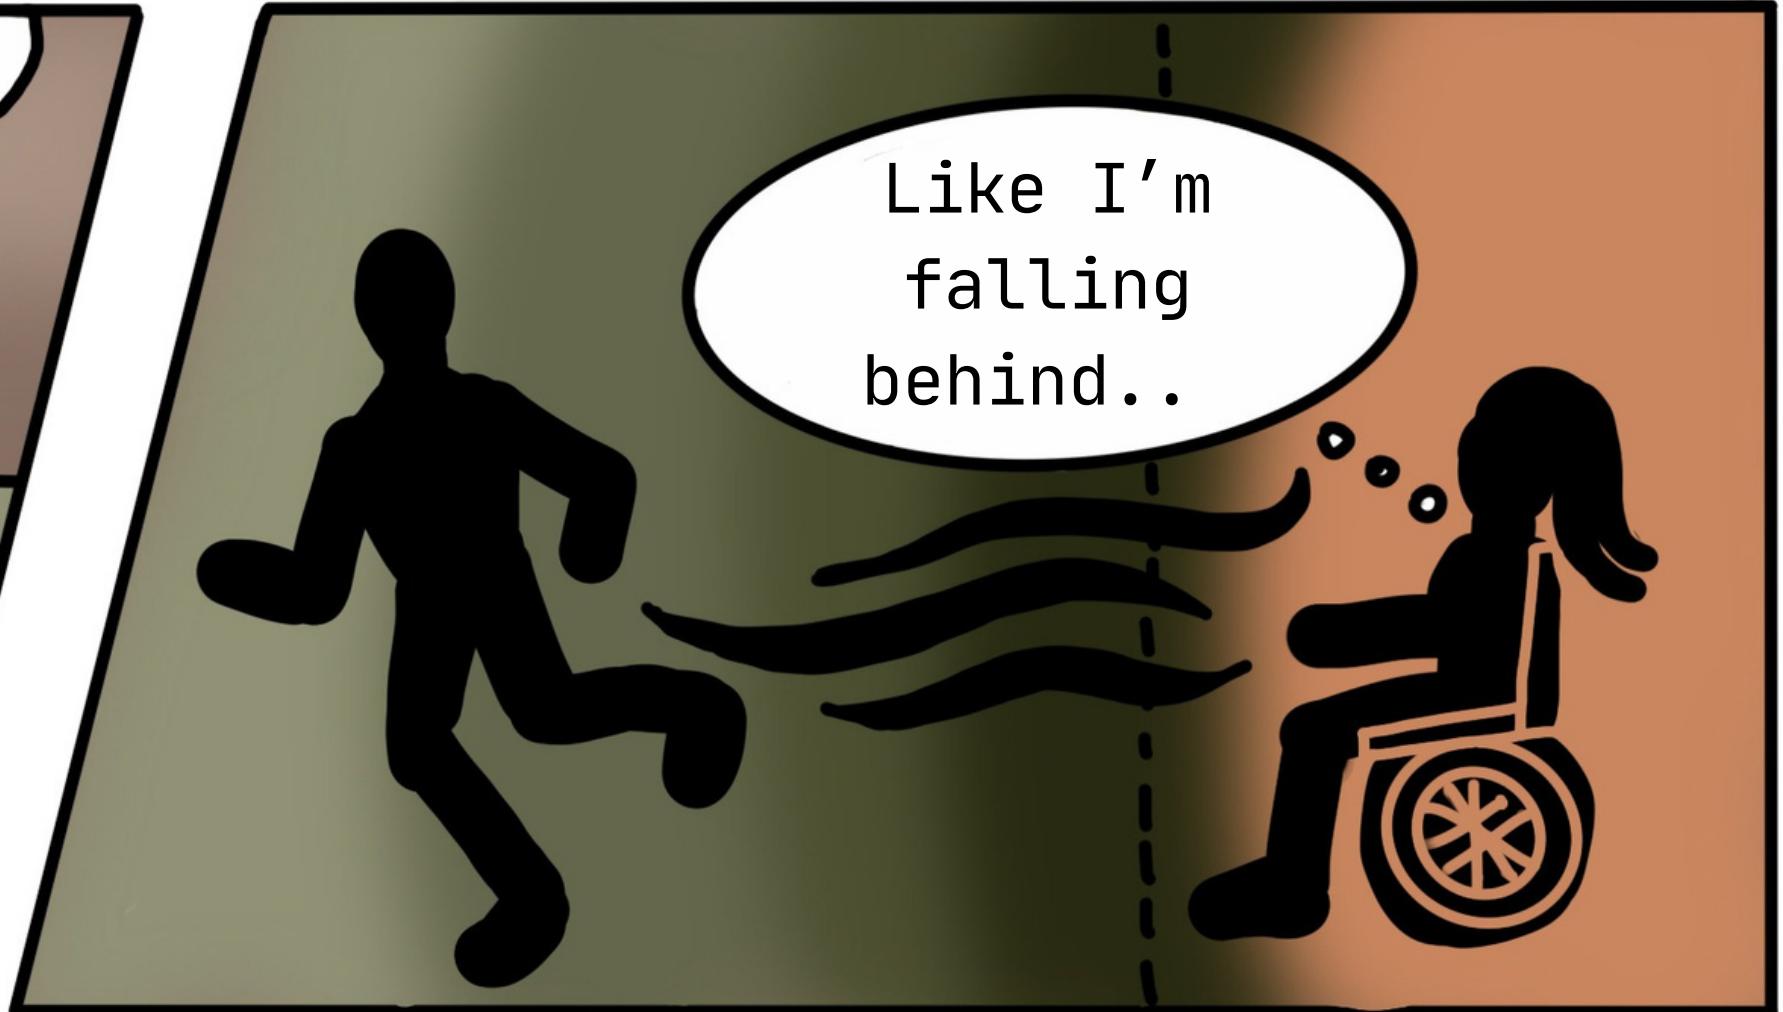

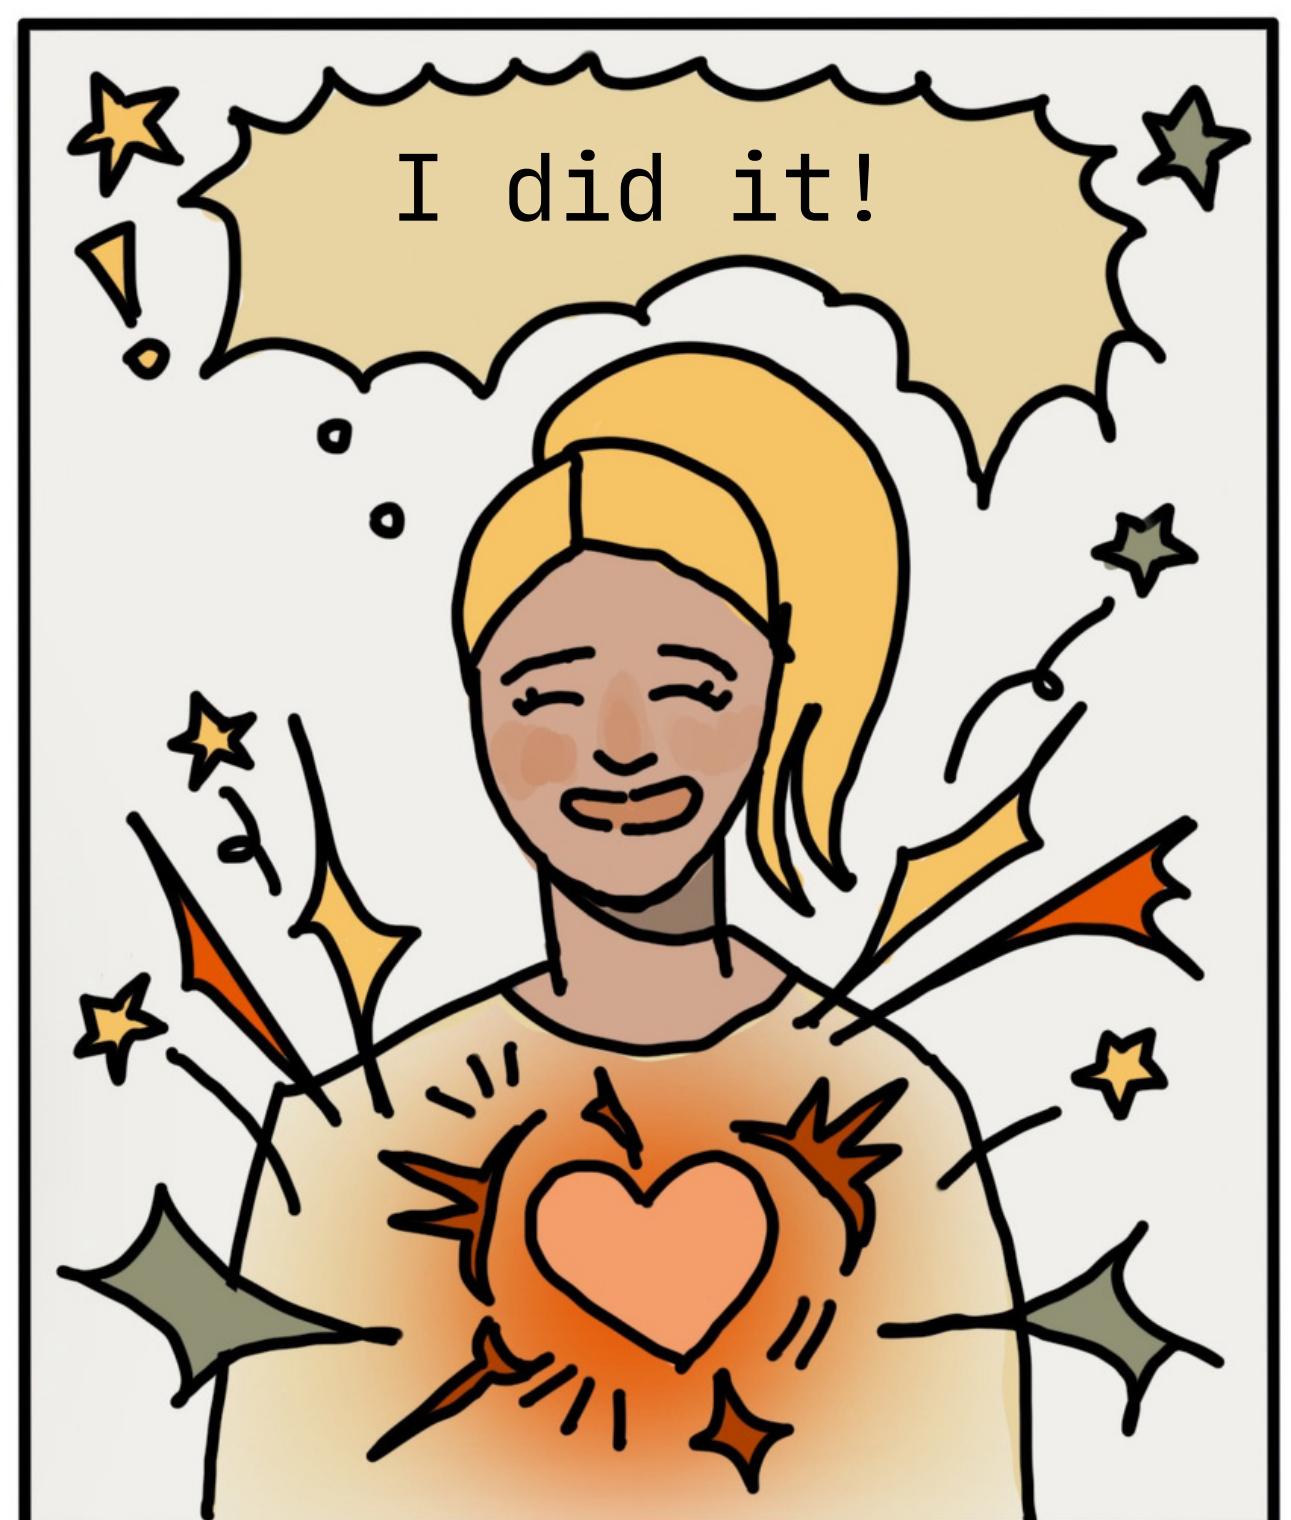

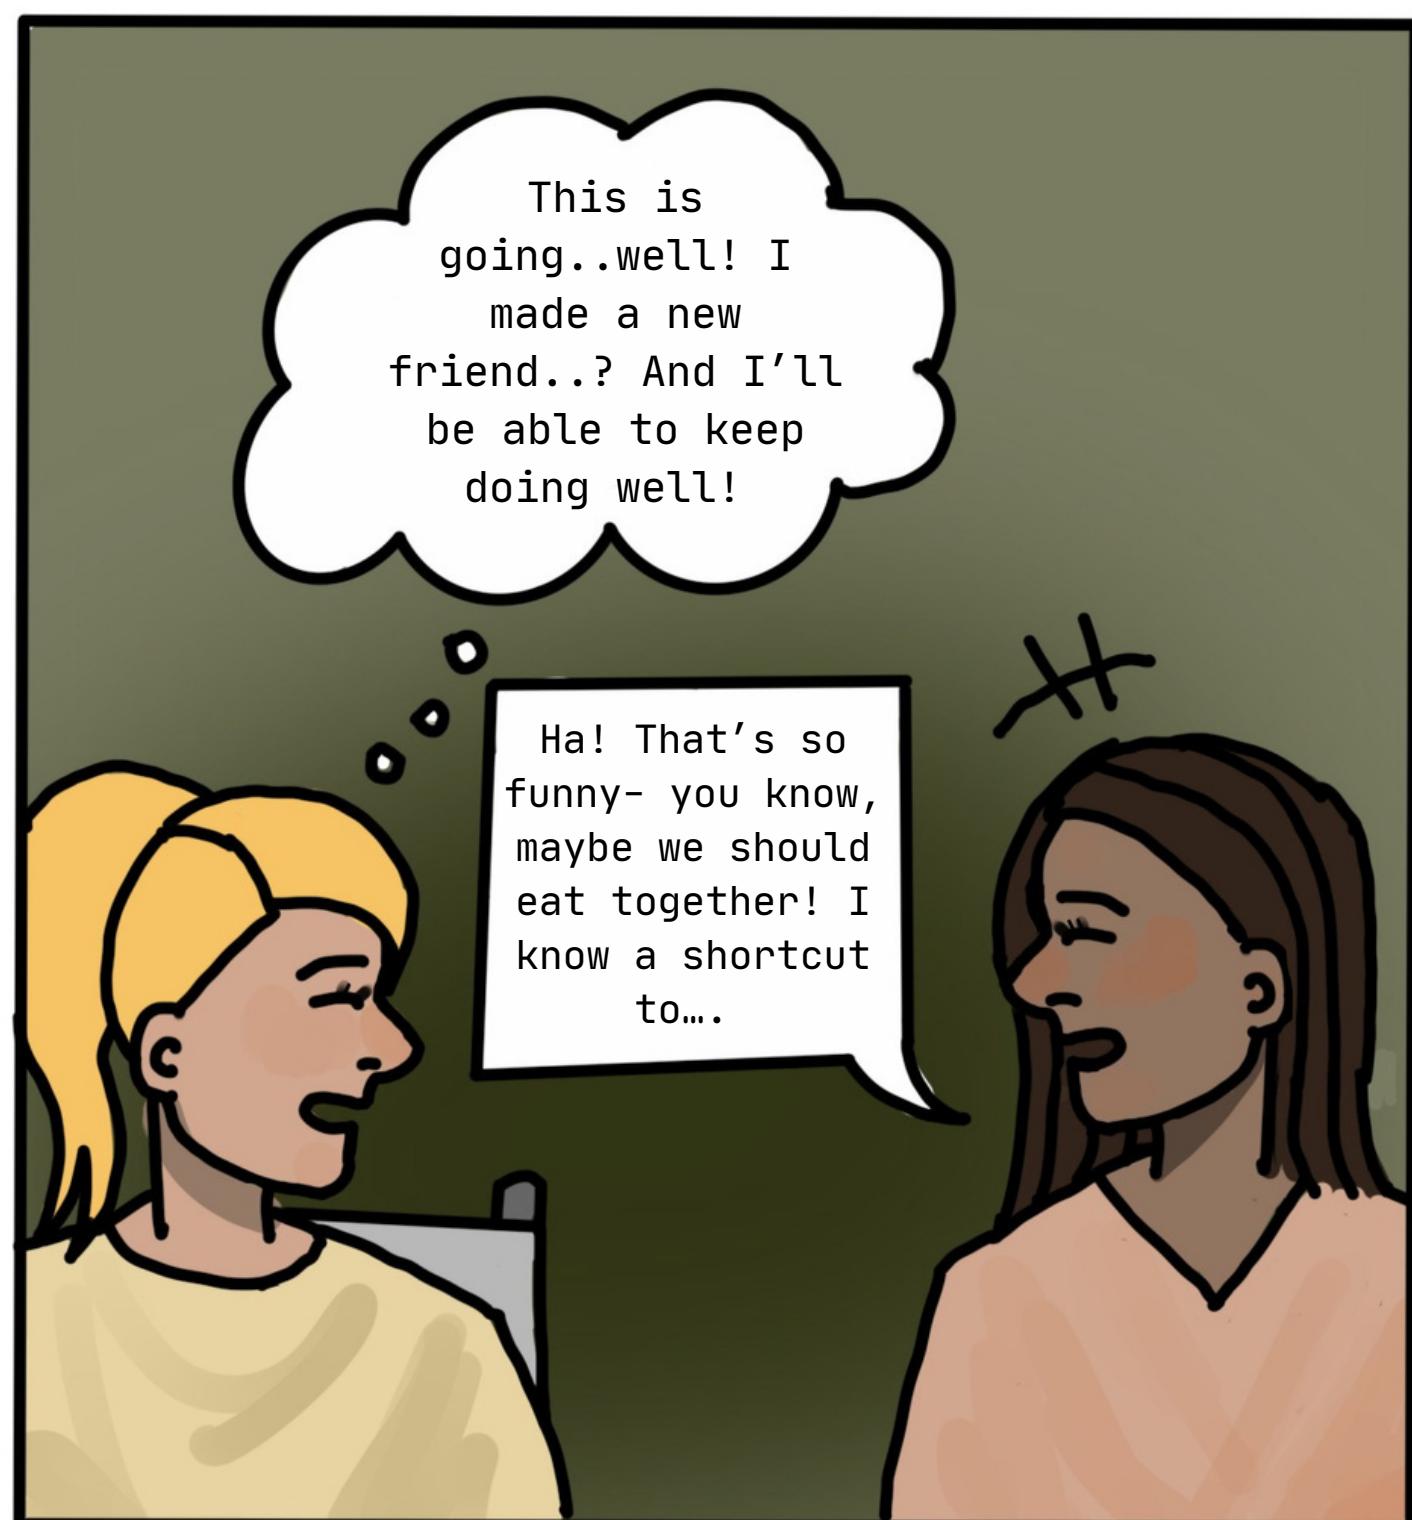

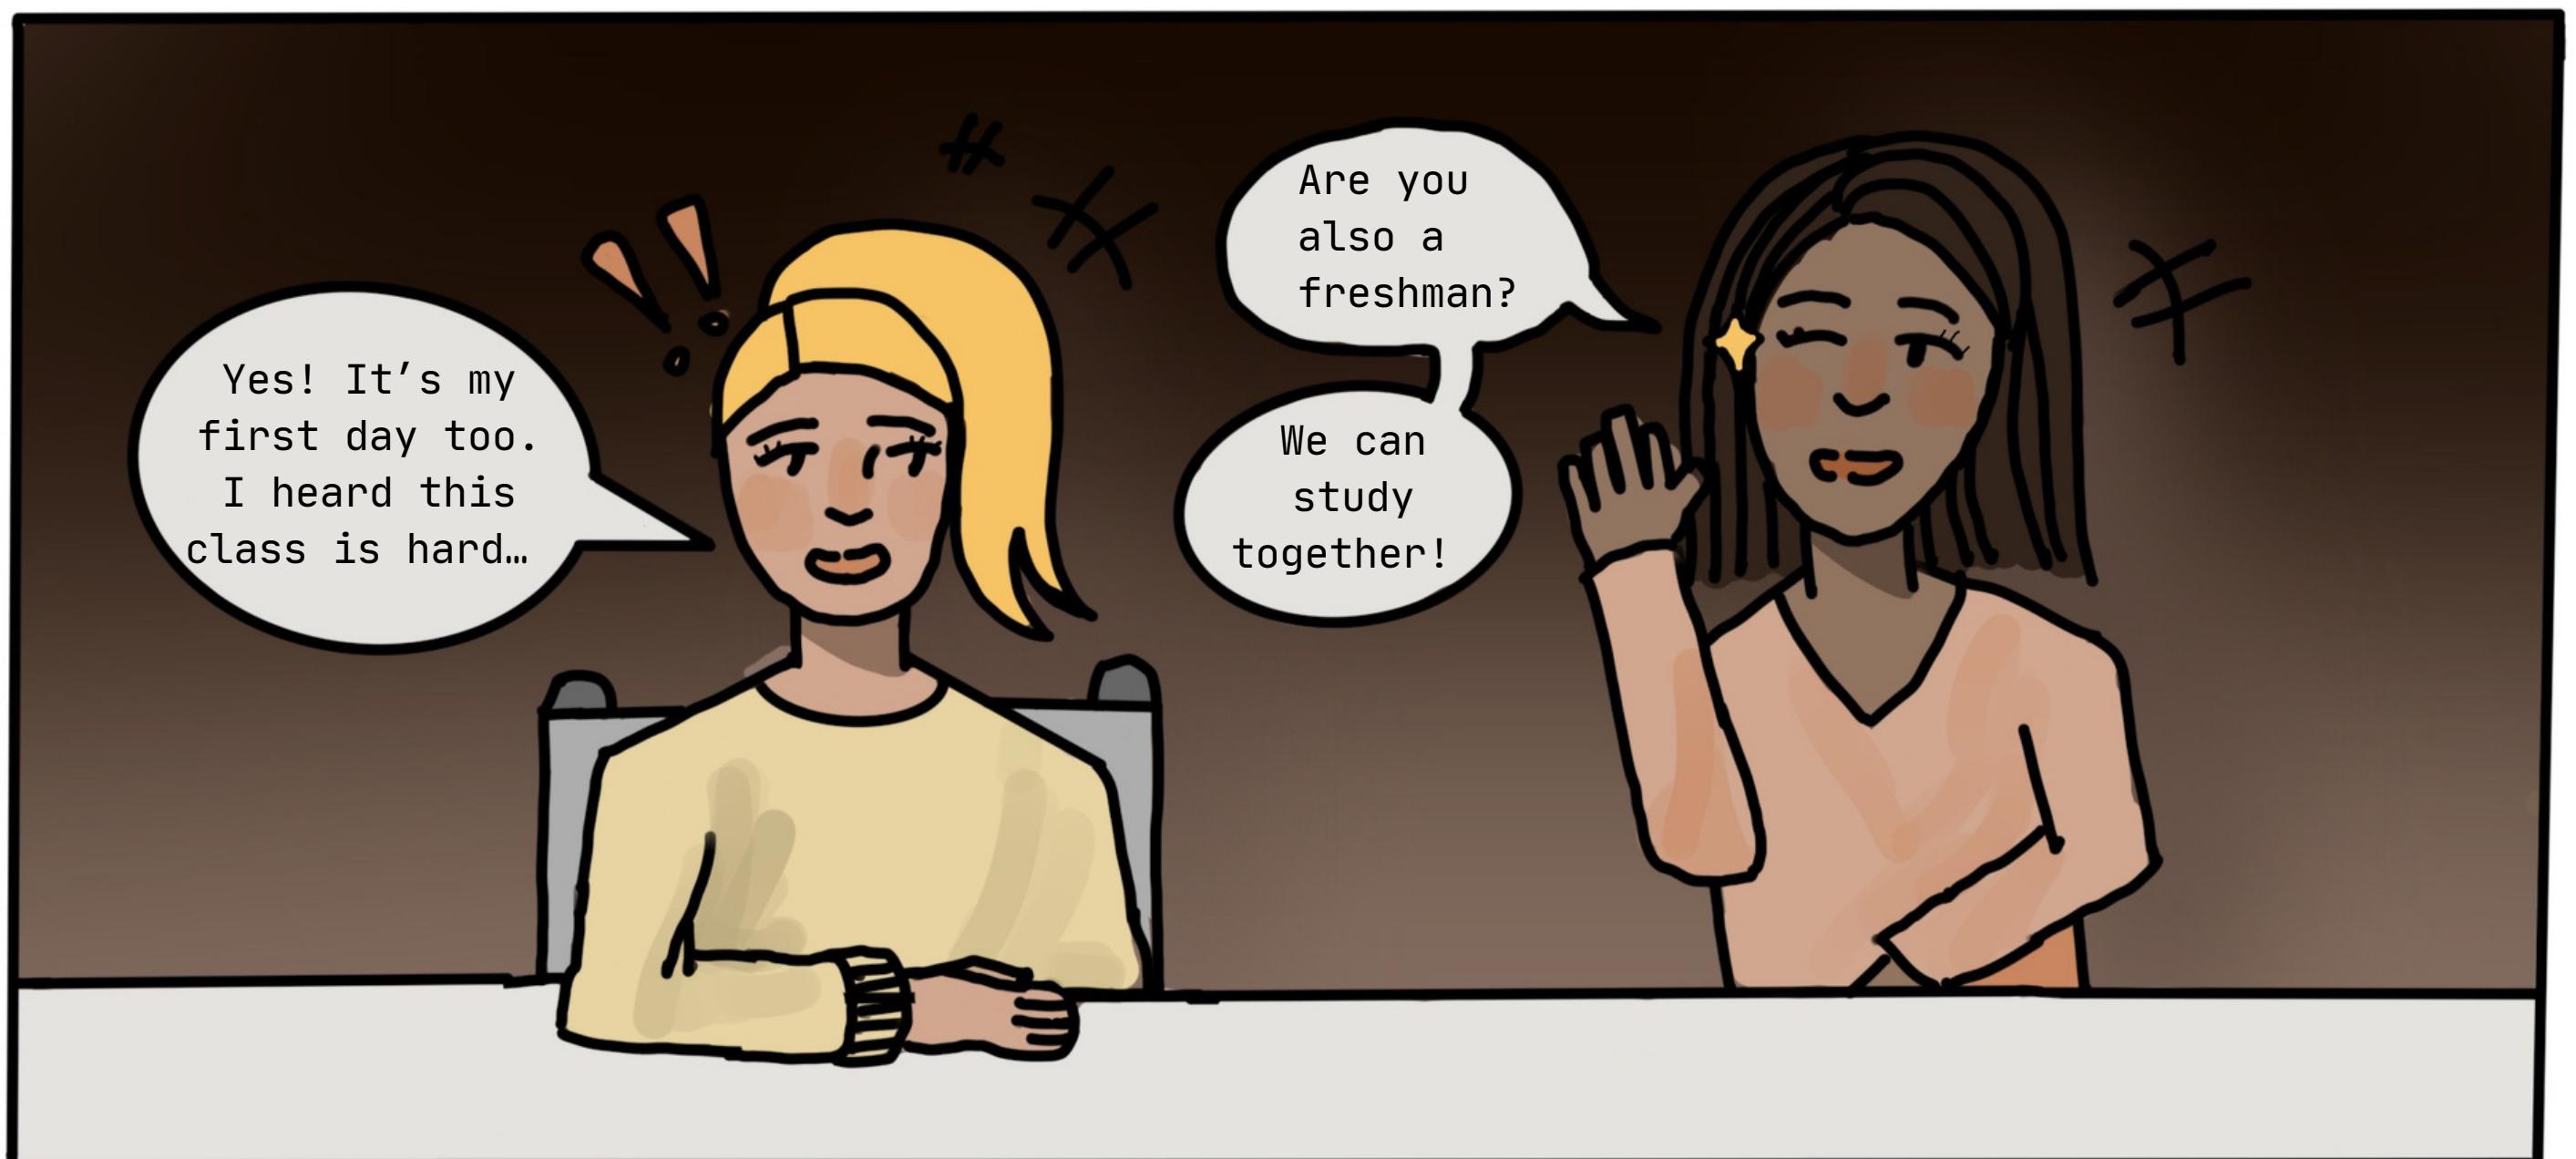

All set! I checked  
my schedule and have  
what I need...

The minutes tick by quickly.

I  
shouldn't  
have  
worried...

Sounds  
good...  
I'm happy  
we met!

First day  
plans turn  
to  
everyday!!

I am bigger and  
more than my  
limits... and I have  
so much to explore  
and learn!!
